

# Monaghan Heritage & Biodiversity Plan

## Public Consultation Meetings

We would like to invite members of the public, community groups, other interested groups and organisations to attend one of our Heritage Tea Talks, where you can give your ideas and opinions for the next five-year County Monaghan Heritage and Biodiversity Plan.

Heritage is both natural and cultural, and includes historic buildings, landscape, archaeology, wildlife, flora and fauna, waterways, folklore, place names – all the tangible and intangible elements that contribute to a sense of place.
